TRIBUTE TO REAR ADMIRAL J.  
CUTLER DAWSON, JR., USN

• Mr. WARNER. Mr. President, I rise today to recognize an outstanding Naval Officer, Rear Admiral J. Culter Dawson, Jr. as he completes more than two years of distinguished service as the Navy's Chief of Legislative Affairs for the Congress of the United States. It is a privilege for me to honor his many outstanding achievements and commend him for his devotion to the Navy and our great Nation.

Admiral Dawson is a 1970 graduate of the United States Naval Academy and is one of the Navy's ablest Surface Warfare Officers. As Chief of Legislative Affairs, utilizing professional skills and decisive actions, he "navigated" the Navy through many Congressional actions. Foremost were the issues for pay, force structure funding, leadership confirmations and quality of life initiatives. Further, he ensured support for a difficult series of high profile issues, including the F/A-18 E/F, CVN-77/CVNX, DD-21 Acquisition Strategy, Virginia Class Submarines, Shipyard maintenance, and the Navy/Marine Corps Intranet (NMCI). That's a very commendable record of achievement.

Admiral Dawson provided outstanding advice and recommendations to the Secretary of the Navy and Chief of Naval Operations that have significantly and positively affected the future size, readiness, and capabilities of the Navy. Working closely with the United States Congress, he has helped maintain the best-trained, best-equipped, and best-prepared Navy in the world.

I am proud to thank him for his service as the Chief of Legislative Affairs and look forward with pride and deepest respect as we continue to work with him once he is confirmed in his new assignment as Commander of the U.S. Fifth Fleet.●

REPORT ON THE CONTINUATION  
OF THE IRAN EMERGENCY—MES-  
SAGE FROM THE PRESIDENT—  
PM 12

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the emergency declared with respect to Iran is to continue in effect beyond March 15, 2001, to the *Federal Register* for publication. The most recent notice continuing this emergency was published in the *Federal Register* on March 14, 2000.

The crisis constituted by the actions and policies of the Government of Iran, including its support for international terrorism, efforts to undermine Middle East peace, and acquisition of weapons of mass destruction and the means to deliver them, that led to the declaration of a national emergency on March 15, 1995, has not been resolved. These actions and policies are contrary to the interests of the United States in the region and threaten vital interests of the national security, foreign policy, and economy of the United States. For these reasons, I have determined that I must continue the declaration of national emergency with respect to Iran necessary to maintain comprehensive sanctions against Iran to respond to this threat.

GEORGE W. BUSH.  
THE WHITE HOUSE, March 13, 2001.

*To The Congress of The United States:*

As required by section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(c), and section 505(c) of the International Security and Development Cooperation Act of 1985, 22 U.S.C. 2349aa-9(c), I transmit herewith a 6-month periodic report on the national emergency with respect to Iran that was declared in Executive Order 12957 of March 15, 1995.
